## ABOUT ME

I am a graduate of Antalya Vocational and Technical Anatolian High School, Department of Information Technologies. I am interested in software development and data analysis. Throughout my education, I have worked extensively with Microsoft Office programs (Word, Excel, PowerPoint). I aim to improve myself in this field with my analytical thinking and problemsolving skills.

## WORK EXPERIENCE:

**Social Security Institution (SGK), Antalya (2023 - 2024)**

- Human Rights Intern

- Conducted research and prepared reports on human rights violations and complaints.
- Monitored and regularly updated regulations and legislation related to human rights.

- Provided one-on-one consulting services to help citizens resolve human rights issues.

- Supported internal and external correspondence on topics related to human rights.

- Regularly prepared and presented reports to management regarding daily activities and encountered challenges.
